

The **Expand FlagStand 1** is a light, portable flag stand suitable for any outdoor environment. It is extremely stable even in strong wind and can be used whatever the weather. The FLA 2 advertising flag is available with either a cross-shaped base or a ground stake for soft ground – e.g. grass, snow or sand. The materials used for the Expand FlagStand 1 were carefully chosen so that they are effective even with long-term outdoor use. Whether you have your logo, an image or text on your flag, you can be sure of its high visibility. The Expand FlagStand 1 is available in three heights and is supplied in a bag for easy carriage. Can also be used indoors.
