

MediaScreen 2 outdoor

expand[®]

The **Expand MediaScreen 2 outdoor** is the first fully portable retractable system for outdoor use. The extremely practical and attractively designed double-sided roll-up construction has a patented design which ensures stability even in the strongest winds. The Expand MediaScreen 2 outdoor is highly resistant to corrosion, UV radiation and weather conditions and can be used on any surface, whether snow, sand, grass or tarmac. The patented design allows you to be seen thanks to the Expand MediaScreen 2 outdoor. In a mere minute, your outdoor display is ready. The simple to connect support feet ensure stability on any surface – snow, grass, sand, pavement or concrete. Additional ground stakes improve stability on soft surfaces such as snow and grass.
