

The **Expand MediaScreen XL** is a wide, extra tall retractable system which is particularly suitable for situations where you need to be eye-catching even from large distances. The display area can be further increased by connecting two or more Expand MediaScreen XLs together with the use of the upper magnetic connectors. The Expand MediaScreen XL is a perfect background which brings out your display by highlighting your logo or marketing message. It is the ideal accessory at a sales meeting, company meeting, press conference or in a shopping centre. Thanks to its extra height, your display will stand out from your competitors.

The Expand MediaScreen XL is ready to support your presentation in less than a minute.
