

Advertising stand **POPUP 2**

The **POPUP 2** advertising wall allows you to impart information in a simple and elegant way. The large display area has no obstructive elements and provides an attractive visual display solution. Portability has a whole new meaning with the POPUP2 advertising wall. The extremely light, yet stable and hard-wearing apparatus comes with a practical carrier bag and is easily transported and erected. In no time at all, you can have everything ready for a quality display. A versatile carrier bag is included as part of the POPUP 2 advertising wall which can be used for the whole apparatus including graphics.
