

expand[®]

The **Expand PosterHolder** is a unique addition in support of your display which highlights your marketing message. The elegant Expand PosterHolder graphics holder is surprisingly accommodating – it can be fastened to many types of material and paper, card, adhesive labels and plastic can be inserted into it. Because it will easily and quickly capture your customer's attention, it is ideal for locating in shops, public garages, waiting rooms, shopping centres or anywhere where your potential customers may be. The Expand PosterHolder suits any space it is placed in.
