

Advertising stand R A1 & B2

The **R A1** and **R B2 advertising frame** is among the most effective yet at the same time simple display systems with exchangeable graphics. Its great advantage is in its wide field of uses indoors and outdoors with a maximum advertising area. The graphics, which are covered by a protective layer, are fixed with clamping strips – so-called frame flaps.

Width: 55 and 65 cm
Height: 75 and 90 cm
Weight: 3,5 kg
Color: silver
