

The **ROL Q6 advertising stand** is one of the most effective systems on the market, flexible and it really is simple to use. Its telescopic pole is a great advantage, allowing you to easily adjust the height according to your needs. Another great feature is the stop-wheel, which serves to affix the graphics perfectly. Thanks to this, assembly is even faster and your display is yet more attractive. The ROL Q6 has an attractive design and exceptional quality, imbuing your presentation with maximum effect. These advertising banners can be used for the ROL Q6 system: G1, G2, G3, G4.

The ROL Q3S is ready to use in 30 seconds.
